

# Hurricane Prep for Your Car

## Car Maintenance Checklist

Here's what to do to prepare ahead of time.

## Before the Storm Hits

Whether parking inside a garage or outside on the street, here's what to do before landfall.

- Protect car windows
- Cover car and secure cover
- Park strategically
- Secure loose items around vehicle
- Refuel or charge EV and disconnect
- Consider elevating vehicles

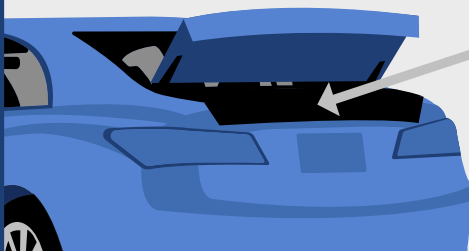

## Tips for Evacuating

- Make a plan
- Refuel or recharge often
- Evacuate early
- Choose the best vehicle (if you own more than one)
- Share driving (if possible)
- Watch fuel or battery level
- Maintain comfort in the car
- Take rest stops

## What to Include in Car Emergency Kit

Every car owner needs a well-stocked emergency kit. Include these items to stay well-prepared.

- Basic tool kit
- Blankets
- Breaker bar
- Cleaning wipes
- Disinfectant spray
- Duct tape
- Emergency cash
- Fire extinguisher
- First aid kit
- Flashlight
- Flat tire repair kit
- Funnel
- Hand sanitizer
- Heavy-duty gloves
- Medications and supplements
- Microfiber cloths
- Non-perishable food and snacks
- Paper maps
- Phone charger
- Portable power bank
- Rain poncho
- Resealable plastic bags
- Skin salve
- Sleeping bag
- Toilet paper and personal hygiene items
- Vehicle registration and insurance information
- Water
- Whistle
