If you want protection above and beyond your standard CPO Powertrain coverage, there are two optional upgrade plans available.

“Classic” Plan with Roadside Assistance
Classic plans cover nearly 1,000 parts in all major component areas, including engine, transmission, drivetrains, front suspension, steering, brakes, electrical, cooling and fuel systems and air conditioning. They also provide towing and rental car reimbursement for covered repairs.
"Gold Plus" Plan with Roadside Assistance
Gold Plus plan include all Classic plan coverage plus hundreds more parts. In fact, they provide essentially the same bumper-to-bumper coverage as the basic factory warranty. Only a few maintenance items and body parts are not covered. The Gold Plus plan also reimburses for lodging and meals if a breakdown interrupts your out-of-town travel, and includes computerized trip routing, retailer locator service and travel assistance.
