Get the Satisfaction that comes with a
FCA US Certified Pre-Owned Vehicle

With a Certified Pre-Owned Vehicle, you have far more than just a "used" vehicle. You have confidence, pride and a vehicle that you can trust. You're Certified. Every Chrysler, Dodge, Jeep®, Ram, Wagoneer, FIAT® and ALFA ROMEO Certified¹ can be counted on to go the distance. Our CPO vehicles must pass a stringent eligibility process that guarantees only the finest vehicles get certified. Every vehicle that passes is then subjected to a comprehensive 125-point inspection and a thorough reconditioning process.

For even more peace of mind, add the factory-backed 7-Year/100,000-Mile Powertrain Limited Warranty², 3-Month/3,000-Mile Maximum Care Coverage , 24-Hour Towing and Roadside Assistance, Car Rental Allowance, CARFAX® Vehicle History Report™ and an introductory 3-month subscription to SiriusXM® Satellite Radio. Plus, we offer something you won't find from any other manufacturer: Certified Warranty Upgrades. Imagine that ... a warranty that will cover your CPOV for as long as you want!
